COME SERVE WITH YOUR CHILD

We invite you to be a part of your child's Nursery experience! Nursery parents are welcome to join our team of volunteers by serving for one service time each month. We encourage you to think and pray about this opportunity to help us care for your child and the other County Line babies. While serving in the nursery you are able to learn our themes and experience the interactions that can help you teach these biblical concepts at home! The nursery is also a great place to meet other nursery parents and build great relationships! We hope you will consider being a part of our team!
